Instructions for proper completion of our Customs Power of Attorney –

The power of attorney can be completed on-line through use of Adobe Acrobat version 5 or newer. Please hold the cursor over each field and details for completion will pop-up. Next, click into that same field to type the required information.

Once all needed fields are completed, please print and arrange for a corporate officer's signature.

If you are a resident company of the United States only page 1 need be completed.

If you are a non-resident company (foreign entity) then you must complete the applicable "Corporate Certification" on page 2. An officer of the corporation OTHER than the officer who signed the first page of the Power of Attorney form must sign the "Corporate Certification".

*****Please note that we need you to provide your company's Federal ID Number in the field at the top left, identified as IRS/EIN. If you are an individual, or a sole proprietorship operating under your SSN, use that same field for providing your Social Security Number.**

Thank you for the opportunity to serve your import needs. If you have any questions, please call our office at (404)361-1114 Ext. 454 or 456.
